

GLBR ARTS Network 2023-2024

The Bay-Arenac ISD (BAISD) has established an Arts Network to support and grow arts education in the GLBR. The Arts Network partners with Michigan Arts Education Instruction & Assessment (MAEIA), the Office of Academic Excellence, The Michigan Council for Arts and Cultural Affairs, as well as many local organizations to provide content specific professional growth opportunities. Annually, the BAISD sponsors two all-day sessions scheduled in the fall and spring. Additional sessions and workshops are provided throughout the year. The BAISD is proud to sponsor and support this innovative arts initiative.
